Discover: Kids Into Discipleship & Stewardship

Zion Lutheran Church, Manning has discovered the resource *Kids Into Discipleship & Stewardship* stamp program. There are twenty children that eagerly bring their money set aside for savings on the third Sunday of the month. Margaret Backhaus or Warren Puck volunteer to man the stamp booth where the children buy stamps to put in a book that once filled (\$25 value) is sent into LCEF.

"As I see the children come with their K.I.D.S. stewardship boxes, I thank the Lord we started this program. I feel we are helping parents teach their children responsibility in handling their finances," said Board of Education Chair Margaret Backhaus of Zion.

The K.I.D.S. stamp program teaches children the joy of managing their money with the added benefit that the money they invest with LCEF is then used to help build Christian schools, daycares, or churches.

Zion, Manning, has used the loan services of LCEF over the years for a new roof on their beautiful church as well as new boilers. KIDS savers are helping their own church directly through their investing and other churches and schools across our Synod who need loan funds for their ministries.

LCEF's mission statement is : *To support the Church in fulfilling its mission of sharing the Gospel of Jesus Christ by being a Christ-centered servant partner of the LCMS, ensuring that funds and services are available now and in the future.*

Plan now to start a K.I.D.S. stamp program this fall that will teach your children the joy of managing their money. To start a program, view the K.I.D.S. Stamp video and download a K.I.D.S. Introductory Kit online at lcef.org under services or contact Ruth Gerken.(contact information on left)

Zion, Manning was a recipient of a loan to replace their roof and boiler. Thanks to our LCEF investors who through their investments make this possible!
